RE: Amazing Restoration, Inc.
Letter of Recommendation

To Whom It May Concern:

It is my honor to write this Letter of Recommendation on behalf of Paul Goff and Amazing Restoration, Inc.

I, as chief Building Engineer of 111 Pfingsten Road, Deerfield, Illinois, have been in charge of overseeing the construction and remodeling taking place in my building for the past 19 years. I have had the privilege to work with Paul and his company for about 18 of those years.

Amazing Restoration, Inc. has "built out" tenant spaces from 1200 square feet to an entire floor of about 33,000 square feet. Amazing Restoration, Inc.'s work ethics and project execution to the building rules, regulations and maintaining time limits has been unsurpassed by any other contractor I have worked with.

Amazing Restoration, Inc. uses highly skilled workers who take pride in the work they have to perform. They never failed to meet our/tenant completion dates, and in many cases delivered the finished space with an occupancy permit ahead of schedule.

Further, it is and has been a pleasure to work with a company who will work with you to do minor changes (without additional charges) and you know will complete the job according to the plans and not incur unauthorized extra charges.

If I may offer any addition information regarding Amazing Restoration, Inc. work ethics and performance, please call me directly on my cell phone 847-542-3370

Respectfully Submitted,

A handwritten signature in blue ink that reads "James D. Couston". The signature is fluid and cursive.
